Timothy: We meant to review this show earlier than this.

Dustin: But we're terrible with dates and schedules.

Mindy: Luckily I'm here now, to rescue you two.

Timothy: Yes, this week we start binge-watching...

Dustin: And binge-reviewing...

Timothy: ... *Santa Clarita Diet*, the Drew Barrymore and Timothy Olyphant zombie-comedy!

Dustin: Now with more Intern Without Portfolio!

Timothy: We are, in fact, joined by Miss Mindy Inlow, whose name you'll have seen on many an article here on SciFi4Me.com, and whose voice appears on a podcast or two as well.

Mindy: Hi!

Dustin: Mindy has discovered how close we have to sit together to record this thing we do, and she didn't run screaming or anything.

Mindy: Not yet, anyway. It's early though. While I'm here, I'll just plug our podcast sponsor for the month of April, **HumanCharger**, whose link is right beneath these very words.

**SciFi4Me 20% Off at HumanCharger. Use coupon code scifi4me during checkout. Expires 12/31/2017.**

Timothy: It's good to have a responsible adult around. Anyway, sit back and listen to the three of us talk about a zombie show that is actually supposed to be funny, and please rate and comment on the show, wherever you listen to this podcast of ours!
