

AGENTS OF HYDRA Will Ruin Fitz — LEVEL ELEVENTY-SEVEN #113

Episode 417 “Identity and Change”

Written by George Kitson

Directed by Garry A. Brown

First, a discussion of the newly released trailer for *Thor: Ragnarok*:

We finally catch up with Mack (Henry Simmons) and his daughter Hope (Jordan Rivera). They’re living off the radar, keeping their heads down. Only Hope jeopardizes that a bit by picking up a Hydra drone that went on the fritz. So when they get picked up, it’s very much a bad place for Mack. He ends up being set up by May (Ming-Na Wen) to expose Daisy (Chloe Bennet) as a mole within the organization.

Meanwhile, Coulson (Clark Gregg) is remembering slightly just a little more, and he goes with Jemma (Elizabeth Henstridge) and Ward (Brett Dalton) to find Radcliff (John Hanna) in the middle of the Bermuda Triangle. And things do not go well. At. All.

Fitz (Iain De Caestecker) is going to be one messed up dude when all of this is over...
