

BOMB SHELTER Drill #4: Jay and Kevin Roll Snake Eyes with SSSSSSS

Episode 4 ~ Sssssss (1973)

This month, Jay and Kevin take a look into the snake eyes of Strother Martin and Dirk Benedict in *Sssssss*, as a college student becomes a lab assistant for a scientist working to develop a serum that can change humans into snakes. Because that's a thing, right? The film also features known genre actors Tim O'Connor (*Buck Rogers in the 25th Century*) and Reb Brown (*Captain America*), along with *The Sound of Music*'s Heather Menzies-Urich.
