

ZOMBPOCALYPSE NOW: The SANTA CLARITA DIET Season Finale!

With *The Walking Dead* done for the season, #TeamZombie turn their attention to the first season finale of the darkly comedic feast that is *Santa Clarita Diet*! It's **Zombpocalypse Now**!

SANTA CLARITA **DIET**

Season 1, Episode 10 "Baka, Bile and Baseball Bats"

Written by Clay Graham, Directed by Dean Parisot

Timothy: Could you cough a bit more? And maybe tap on the table a few more times?

Dustin: I was sick, and you know it. And I... tap on things. Sometimes. Not all the time.

Timothy: Mmmm hmmm. You know I can't cut all of those out, right?

Dustin: You know I don't think about that at all, right?

Mindy: While these two descend into petty bickering, as is their wont, I would just like to point out

that we did get the podcast back under 35 minutes for the first time in weeks, which would be even more impressive if the actual episode of *Santa Clarita Diet* we were talking about was actually over 30 minutes itself, but hey. We take our victories where we can. Also, for whatever reason, we again have a lot of air noise in the recording that fiendishly resisted removal, so maybe Mr. Harvey needs to check on the recording gear and see what the issue there is. We'll keep you apprised, because we do want the listening part of this thing to be as pleasant as possible.

Stay tuned for a special Movie Review edition of **Zombocalypse Now**, out later this week, where Tweedledee and Tweedledum over here will explain to me what went wrong with the latest film in the *Alien* franchise, *Alien: Covenant*. Be advised that they swear a lot, so bleeping will be plentiful. They really are not meant to be out among the civilized peoples.

Dustin: Hey...

Mindy: *ALSO*, if you enjoy this podcast, please rate and review us on iTunes and Podcasts.com, because that helps new listeners find us, and that's always nice. If you don't enjoy this podcast, it's Tim and Dustin's fault.

Timothy: Hang on...

Mindy: *AND*, please listen to all the other great podcasts we have on SciFi4MeRadio, because very few of them have as many squabbling children as this one.

Timothy: Lady has a point.

Dustin: It's a fair cop.

Mindy: We'll see you all next week, where we'll talk about things and stuff, and probably *American Gods*. Thanks for listening!
